

Consider the following sentences Josh and Arobindo wrote.

*On Day 1 the beanstalk is 3 times as tall as it is on Day 0.*

*On Day 2 the beanstalk is 9 times as tall as it is on Day 0.*

1. Draw a picture that shows the height of the beanstalk on Days 0, 1, and 2. Show several mathematical relationships between these heights.

2. Draw a picture that shows the height of the beanstalk on Days 0, 2, and 3. Show several mathematical relationships between these heights.
