

Antonio’s media room is 8 meters long and 5 meters wide. Miguel’s media room is 3 m longer and 2 m wider than Antonio’s.

1. **Draw** Miguel’s media room, so you can also see Antonio’s room. Label all the lengths, widths, and areas.

2. **Find the area** of Miguel’s media room using the drawing. Write down all the ways to express the area.
