

**Activity 2 of Lesson 2:**  
***Discussing the Videos of Sasha and Keoni***

Discuss each question with your group members, after viewing the videos.

**Video 1**

1. What did Sasha and Keoni struggle with?

2. What did they figure out?

**Video 2**

1. What did Sasha and Keoni figure out?

### Video 3

1. Keoni initially struggles. What might he be thinking?
2. Then Keoni correctly places 2 new points. What did he figure out?

### Video 4

1. What is Sasha's method?
2. How does it compare with how your group solved the task?
3. **Reflection** after watching all 4 video clips: What else did you notice about Sasha and Keoni's work on this task that you'd like to share with the class?
